GETTING STARTED

Welcome to Semesta

Semesta is your personal study and reading space. This short guide is a sample document so you can try the reader right away.

What you can do today:

- Add PDFs from your device with the + button.
- Pick up exactly where you left off — Semesta remembers your page.
- Bookmark pages you want to come back to.
- Jump anywhere with the page slider.

READING

Move around the page

Scroll to read, pinch to zoom, and double-tap to zoom in.

Tap once in the middle of the page to show or hide the controls.

The slider at the bottom shows your page and progress.
Drag it to jump to another page.

BOOKMARKS

Keep your place

Tap the bookmark icon in the top bar to save the current page.
Tap it again to remove the bookmark.

Open the bookmarks list from the menu to jump back to any saved page.

NIGHT READING

Easier on the eyes

Pages are usually white. Turn on Night reading in the reader menu
to invert the page colours for dark rooms.

Coming next: courses, a timetable that links lectures to the exact
pages you need, and a study planner.
